

City of Kokomo  
Wastewater Department  
1501 W. Markland Avenue  
Kokomo, IN 46901

To Whom It May Concern:

Based on my inquiry of the persons directly responsible for managing compliance with the pretreatment standard for total toxic organics (TTO), I certify that, to the best of my knowledge and belief, no dumping of concentrated toxic organics into the wastewater has occurred since filing the last discharge monitoring report. I further certify that this facility is implementing the solvent management plan submitted to the City.

Sincerely,
